2018 WHOLESALE CATALOG

ABOUT EARTH SUN MOON

Based in the rolling hills of rural western Pennsylvania, Earth Sun Moon Trading Company has been creating unique nature apparel and gifts since 1996. Our company has grown dramatically over the past 20 years, thanks to the enthusiasm that retailers have shown for our creative, nature-inspired designs and quirky sense of humor. So how do we do it year after year? We're fortunate to have an extraordinary group of dedicated, creative, hard-working people who never stop striving to live up to our company mission statement – *to be good at what we do, to be good to our customers, to be good to each other, to be good to the earth.*

These aren't just nice words to us – it's what we aspire to do every day so that our customers can feel good about every purchase they make from Earth Sun Moon. We believe you deserve our very best: unique designs that sell well, quality products and printing, fast turnaround times, and friendly customer service. After all, we wouldn't be in business without you and the thousands of other loyal specialty retailers who carry our fun apparel, mugs and stickers year after year!

As always, we appreciate your business – and we'll never take it for granted.

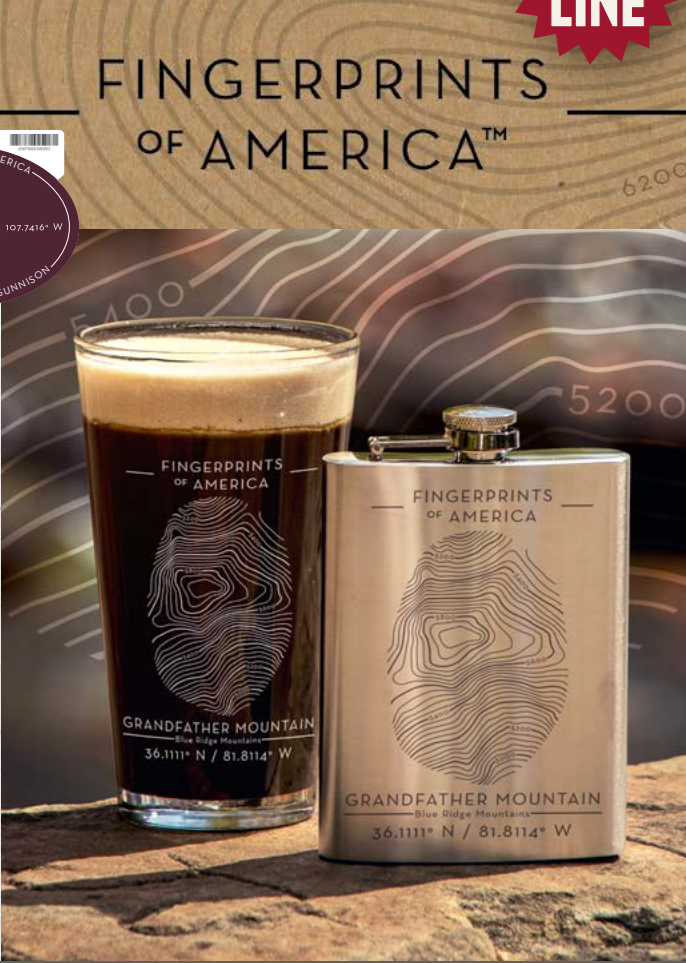

Sincerely,

Nathan A. Depew
President

ARTWORK: We will provide customer with 5 different fonts to choose from. Please include fax number or email address when ordering with a name drop.

We can also name drop your logo or design. The Earth Sun Moon Art Department is PC-based and although many applications are available for design, we have found that certain applications give consistent, dependable results. We currently use Adobe Illustrator CC and Adobe Photoshop CC. (PC only).

Files from other programs are acceptable if saved or exported as EPS, AI or TIF format. All files must be built at 300 dpi or higher. We strongly discourage submission of JPG, GIF, BMP and PICT images as these will result in lower image quality. Please call for any other file types.
Tip: Avoid artwork taken from the internet. It is typically 72-96 dpi and is generally unsuitable for print.

- All fonts in file must be converted to paths, curves or outlines prior to sending file. Converting your text will help avoid any potential font problems.
- We accept digital files on the following media: CD-ROM (PC only) DVD-ROM (PC only) and E-mail (under 5 MB) to art@esmttees.com.

For specific directions or additional questions, please call our Art Department at 1-888-458-1687 ext.452.
