ABOUT EARTH SUN MOON

If you're reading this, then you're one of the fortunate specialty retailers that made it through 2020 – which will be remembered as one of the most challenging years for small businesses in recent memory. We're still here too – and hoping 2021 will be a much better year for us all!

It's hard to believe that 2021 will mark 25 years since I founded Earth Sun Moon in the basement of a local record shop in the spring of 1996. We have grown dramatically over the past 25 years, thanks to the enthusiasm that fine retailers like you have shown for our creative, nature-inspired designs and quirky sense of humor. We're more thankful than ever to still be serving you, and hope to for many years to come.

Be assured that our dedicated team will never stop striving to live up to our company mission statement – to be good at what we do, to be good to our customers, to be good to each other, and to be good to the earth. These aren't just nice words to us – it's what we aspire to do every day so that you can feel good about every purchase you make from Earth Sun Moon. We believe you deserve our very best: unique designs that sell well, quality products and printing, fast turnaround times, and friendly customer service. After all, we wouldn't be in business without you and the thousands of other loyal specialty retailers who carry our fun apparel and gifts year after year!

More than ever, we appreciate your business – we'll never take it for granted.
